Capt Asoux

Commanding

Schoon "Gavala"

Sir

The witnesses in the case of the two deserters have been summoned to testify this morning.

I think I can get them together at say 9 o'clock - If agreeable to you I will try them aboard your vessel -

I will also rely upon you chiefly for advice and assistance in this ^{new} case, rather than delegate to pen & p.

Office of Governor and Collector of Customs,

SAN JUAN DEL SUR,

October 16th 1856

To Capt Fayson
Scha Granda

S-

I have just
been informed by Lieut Wheeler the Grand
Surveyor that during the day there
has been a constant passing of men
in squads of ten and twenty - with
mules loaded - passing across the
Transit road towards Costa Rica
evidently in a hasty retreat - some
few are armed - mostly they are
unarmed - he thinks a party of ten
American Cows seem a great number of
prisoners and Animals - I think it my
duty to give you this information that
you may take such action as you
may deem proper -

I am, Sir,
Very respectfully,
Your obedient servant,
Wm. Keck
